Ahau gzhyamén

Widmat

Nmétséna

Community Language Lab Open is to Everyone!

Stop in to use the Lab to learn something new in the Potawatomi Language any time between **October 5th and November 20th** and have a chance to win a prize in the Language Lab Drawing. To be eligible to submit your name for the drawing, all you have to do is spend one hour on language learning.

For every visit you make, you will be eligible to enter your name. So visit often – learn a little more Potawatomi on each visit – and submit your name frequently.
